

Circuit Tester

Tests circuits rated from 80 to 600 volts AC/DC. The high-impact, sealed 5-11/16" (144 mm) probes on long 24" (610 mm) leads are convenient for testing motors, fuses, relays, switches, etc. A professional grade electrical tester with the quality you expect from Klein Tools.

Specifications

Overall Length:	35" (88.9 cm)	Voltage:	80 to 600 AC/DC
Lead Length:	25" (63.5 cm)	Weight:	2.4 oz (69 g)
