

Non-Contact AC Voltage Detector

SNIFF-It 2™

Detect AC
Voltage from
5V~600V

Applications

- Detect AC Voltage without making contact
- Identify live wires and outlets
- Detect ringing telephone lines
- Detects control Voltage 12 & 24 VAC

Features

- Adjustable sensitivity knob
- Light flashes & beeper chirps when Voltage is present
- Detect 5V~600V
- Pocket-sized
- Power beeper reminder
- 5 year warranty
