Mastercool's certified electronic charging scale features an extra-large LCD display for easy reading from any angle. With its Class III accuracy and maximum capacity of 55 kg/110 kg with a resolution of 20 g under 55 kg, it is easily one of the best on the market. Included in this package will be the capability to download our free Mastercool Connect app. This will allow for full mobility as activity can be easily viewed on all compatible hand-held smart devices.

Durable and Portable

Strong aluminum base with a rugged, non-slip platform provides extra durability while working in any environment. The included compact and heavy-duty carrying case allows for easy portability to any job site.

Manufactured for Performance

The large 9 x 9" platform provides for easy weighing of refrigerant tanks.

FUNCTIONS:

- **CHARGE PROGRAMMING:** Allows user to program desired quantities. Before charge is complete, an alarm will sound allowing ample time to turn off refrigerant supply
- **PAUSE/CHARGE (Using the 98230 Charging Solenoid Module):** This feature allows user to stop and continue charging
- **TANK CAPACITY PROGRAMMING:** EMPTY/FULL tank feature allows user to know the amount of refrigerant in the tank at any time
- **REPEAT:** Allows user to charge previously stored amount
