* Add Suffix "SS" for 316 Stainless Steel or "B" for Brass.

Dimensions are provided in inches and are for reference only, subject to change. Dimensions shown are with the nut in the finger-tight position.

A GLOBAL CONNECTION

BI-Lok Tube Fittings are manufactured in four State-of-the-art facilities, in two countries, and are marketed worldwide through a network of authorized stocking distributors and representatives.

In today's business environment, success is dependant upon the true creation of value.

For over 75 years, Generant, a leading designer and manufacturer of pressure and flow control products, has built a reputation synonymous with innovative and advanced design, application engineering expertise, quality manufacturing and unparalleled service.

In this tradition, BI-Lok Series D Dual Ferrule Tube Fittings represent a high quality, cost effective, design solution to instrument grade fluid connector applications.
