W 201

Product no.: T0056105699N

- > 200 W, 230 V
- Complete with soldering tip CT2 F7 and safety rest
- > Magnastat controlled
- > For CT Soldering tips

| Active Tip heating element technology | |
|---|--------------|
| Power Response heating element technology | |
| Silver Line heating element technology | |
| Voltage | 230 V AC |
| Power | 200 W |
| Tip range | CT2 (LT, PT) |
| Supply unit | |
| WX-compatible | |
| Temperature range °C | 370°C |
| Temperature range °F | 698°F |
| Heating time | tbd |
| Safety rest | |
| Safety rest (optional) | |
| Barrel | |
| Integrated direct extraction | |
