

Part No.

# USN0-KIT5-10ft

USN0 hose kit with 10ft hose, 2 Female USN0 Quick-connects, 10,000 psi

USN0-KIT5-10ft

## Included Items

- Female Quick-connect - Female USN0 Quick-connect for 2J hose or panel mount, 316 S.S. (USN0-FQC-HM-4AN)
- Female Quick-connect - Female USN0 Quick-connect for 2J hose or panel mount, 316 S.S. (USN0-FQC-HM-4AN)
- USN0 Hose, 10ft long - High Pressure hose, 1/4" Female Flare (-04) ends, 316 S.S., 10ft long (2J2J-HOS-10ft)

## Specs/Attributes

|                   |     |
|-------------------|-----|
| Country of origin | USA |
|-------------------|-----|

### Female Quick-connect USN0-FQC-HM-4AN

|                           |                                                                   |
|---------------------------|-------------------------------------------------------------------|
| Burst Pressure            | 40000 PSI / 2760 bar / 275 MPa                                    |
| Country of origin         | USA                                                               |
| Materials                 | 316 Stainless Steel                                               |
| Max Operating Temperature | 200 °F / 93 °C                                                    |
| Max Pressure              | 10000 PSI / 700 bar / 70 MPa                                      |
| Media Compatibility       | Air, Inert Gas, Natural Gas, Petroleum Based Oil, Water           |
| Min Operating Temperature | -15 °F / -26 °C                                                   |
| Seal Materials            | Carbon/Graphite, Urethane                                         |
| Connector End 1           | 9/16-18 (1/4" HM4) Male High Pressure                             |
| Connector End 2           | Male USN0 Probe                                                   |
| Weight                    | 1.83 oz / 52 grams                                                |
| Dimensions                | H: 2.55 in (6.48 cm) x W: 0.63 in (1.6 cm) x D: 0.68 in (1.73 cm) |

### USN0 Hose, 10ft long 2J2J-HOS-10ft

|                   |                                       |
|-------------------|---------------------------------------|
| Burst Pressure    | 40000 PSI / 2760 bar / 275 MPa        |
| Color             | Blue                                  |
| Country of origin | USA                                   |
| Inner Diameter    | 0.08 In / 3.00 mm                     |
| Materials         | Reinforced Polyamide, Stainless Steel |

## USNO Hose, 10ft long 2J2J-HOS-10ft

|                           |                                                         |
|---------------------------|---------------------------------------------------------|
| Max Operating Temperature | 140 °F / 60 °C                                          |
| Max Pressure              | 10000 PSI / 700 bar / 70 MPa                            |
| Media Compatibility       | Air, Inert Gas, Natural Gas, Petroleum Based Oil, Water |
| Min Operating Temperature | -40 °F / -40 °C                                         |
| Minimum Bend Radius       | 1.00 In / 26 mm                                         |
| Outer Diameter            | 0.24 In / 7.00 mm                                       |
| Seal Materials            | Buna-N, Teflon                                          |
| Type                      | XT                                                      |
